

9 POLLUTION TIPS

NEIGHBORHOOD

1. **Keep It Clean** - Keep sidewalks, curbs and gutters in front of your property clean.
2. **Dump No Waste** - Stencil storm drains with the message, "Dump No Waste, Protect Our Waters ... For Life," and keep household cleaning products from becoming hazardous waste.
3. **Do It Right** - Use water-based paint and dispose properly.

CAR

4. **Don't Be An Oil Drip** - Identify and fix oil leaks on your vehicles; purchase an used oil change box, soak up spilled oil and dispose appropriately.
5. **Car Wash** - If you wash your car on a City street, use plain water or wash your car on a grassy area.

YARD

6. **Cover Up** - Prevent soil and debris from leaving your property.
7. **Read The Label** - Read and follow the label. The label is the law.
8. **Yard Makeover** - Gather grass and tree cuttings and dispose as green waste, compost your yard trimmings.
9. **Pick It Up** - Remove and dispose of pet waste before you leave an area.

E Mālama I Ka Wai Ola

Protect our waters...
FOR LIFE

"This is our home, our island, and we are all responsible for its health and beauty."

—Mufi Hannemann, Mayor
City and County of Honolulu
