ANIANI PLACE ADOPT-A-BLOCK THIS WEEKEND

The City's Department of Environmental Services is conducting an Adopt-A-Block cleanup Saturday, July 26, 2008, from 8-10 a.m. at Aniani Place in Waipahu.

The project is part of ENV's Storm Water Branch summer cleanup campaign. Volunteers should meet and pick up supplies at the Aniani Place turnaround.

The City's Department of Facility Maintenance is sweeping the street before the event, while the ENV's Refuse Division will be on hand to remove and dispose of the waste. Volunteers from the KCC Community Outreach and Weed & Seed programs are also assisting in the cleanup.

To volunteer for future Adopt-A-Stream/Adopt-A-Block cleanups in your neighborhood, go to cleanwaterhonolulu.com.
