9 Pollution Tips

Actions you can do around your home to make a difference!

1. Keep sidewalks, curbs and gutters clean
2. Prevent soil and debris from leaving your property
3. Gather grass and tree cuttings and dispose as green waste, or compost your yard trimmings
4. Purchase used oil change box; soak up spilled oil and dispose of appropriately
5. Remove and dispose of pet waste before you leave an area
6. Use water-based paint and discard properly
7. Use only the amount needed of pesticides and fertilizers
8. Wash your car with plain water or consider washing it on the lawn
9. Keep household cleaning products from becoming hazardous waste

**Meet at Palolo Valley
Recreation Center**

Small commitments lead to big ones. Start by getting involved!

Here's a chance for local businesses, civic groups, watershed associations, churches, schools, and scouts to stencil storm drains with the message, "Dump No Waste, Protect Our Waters ... For Life," remove litter and graffiti. See firsthand how your individual actions can and do make a difference to improve the quality and appearance of Palolo Valley!

You will receive trash bags, gloves and "Protect Our Waters ... For Life" t-shirt. Bring bottled water, wear a hat, use sunscreen, and dress to get dirty.
