Hawaii's Plantation Village in Waipahu

FREE family fun

Learn all about water through learning stations and exhibits where you can actively engage in hands-on water activities and investigations. Topics can include the hydrological cycle, ground water, spring water, water sampling, wetlands, water conservation, soils, living history, and much more.

"This is our home, our island, and we are all responsible for its health and beauty."

Mayor Mufi Hannemann

Sponsored by the City and County of Honolulu, Department of Environmental Services, in partnership with the Friends of Waipahu Cultural Garden Park (dba Hawaii's Plantation Village), State of Hawaii Department of Health Clean Water Branch, State of Hawaii Department of Land and Natural Resources, Division of Forestry and Wildlife, Honolulu Board of Water Supply, U.S. Geological Survey, Oahu RC&D, City and County of Honolulu Department of Parks and Recreation, and more!
